**Resolution**

"129. We will approve the Company's Demand-Side Management Program Portfolio Plan as recommended by Staff, except as directed in Findings of Fact No. 130 and 131.

130. To promote self-sufficiency of the C&I Program, we will adjust the proposed 2008 program budget by increasing the percentage allocated to marketing from 15 percent (\$30,000) to 30 percent (\$60,000), while decreasing the percentage allocated to incentives from 50.84 percent (\$101,680) to 35.84 percent (\$71,680). In so doing, we will direct that the total marketing allocation remain evenly split between internal and subcontracted marketing.

131. To further promote self-sufficiency of the C&I Program, we will direct that the percentage of the program budget that is allocated to incentives shall not exceed 35.84 percent in any of the five years covered in the Plan."
